Upon acceptance of the offer of a place, parents are required to pay a deposit of £500 to Riverside Nursery Schools Ltd. Sibling Discount:

We offer a 7% sibling discount which is applied to the lower of the two invoices. When registering a sibling we will waive the £100 registration fee.

Recommend a Friend:

Recommend a friend to Riverside and both families will be eligible for a discount. Please speak to us to find out more.

Government funding:

Our nurseries accept the Government 15 hours funding for all eligible children. Please visit <https://www.gov.uk/help-with-childcare-costs> for details on eligibility and how to access entitlements.

The amount of Government funding provided covers the 34 weeks of the year that we are open at this nursery.

If a child is in receipt of 2 year-old funding but turns 3 during the term, the under 3 fee will still be applied until they are eligible for the 3 year funding in the following term.

Tax-free childcare:

Tax-free childcare is a method of paying for childcare costs such as nursery fees and provides a significant saving each month. It can be used alongside the 15 hours of Government funding.

We accept tax-free childcare as a payment method at all of our nurseries. You will first need to apply for tax-free childcare at <https://www.gov.uk/tax-free-childcare>

Once set up, you can find your chosen nursery by searching for the postcode or the Ofsted registration number.

Childcare vouchers:

For those families that receive childcare vouchers, we accept most of the major providers of these vouchers. Please contact the finance team to discuss the current scheme you are using.

Extras and Essentials Fee:

The Government provides 15 hours of free childcare entitlement to cover the cost of delivering childcare at the appropriate ratios for each child. This funding does not cover the full cost of your child's place, as each nursery offers additional services, including but not limited to:

- Extracurricular activities
- Nursery supplies, including crafting and educational materials
- Consumables
- Additional staffing not in ratios, to provide enhanced experiences for children
- Activities that include additional resources, such as cooking or crafts
- The cost of administering the funding itself.

Guidance states that parents should expect to contribute towards these as additional charges, on top of the funding that your childcare provider receives. Therefore, we charge an additional hourly fee for the funding accessed to maintain the high quality of care and early education we provide. This fee, along with any unfunded hours your child spends at the nursery, constitutes the termly price you pay.
